Items Included on the Agenda:

The board encourages your participation in its deliberations and has tried to make it convenient for you to express your views to the board. If you wish to address the board on an agenda item, please obtain a card that is on the table along with the agenda; fill the card out completely and give it and any supporting materials (e.g. copies of your remarks, charts or graphs, copies of articles or reports) to the administrative assistant or superintendent/principal. Please turn your card in prior to the presentation of the item you wish to address. Your card and materials will be presented to the President of the Board, who will call upon you at the appropriate time during the discussion of that agenda item. At regular meetings, the board will follow this format for major agenda items:

- *staff presentation*
- *preliminary board and staff discussion*
- *community participation*
- *board deliberation and decision, if appropriate*

During study sessions and special meetings, this format may vary.

PUBLIC COMMENT (cont.)

Board agendas are very full and time is limited. For that reason, we request that you speak only once on an item and that you limit your remarks either when addressing an agenda item or when speaking in the Open Forum to a maximum of five minutes. If numerous individuals request to speak on a particular item or in the Open Forum, the President of the Board may limit the total time allocated to that item, thereby reducing the time for each speaker.

A citizen may request to place an item on the board agenda by submitting a written request and supporting information to the superintendent/principal ten days prior to the regularly scheduled meeting. The superintendent/principal, in consultation with the President of the Board, will determine at which upcoming regular board meeting the item will be scheduled. The person who requested the item will be allowed five minutes at the meeting to present the information to the board. Following this presentation the board may address the issue, put the issue on a future agenda for more discussion and action, refer the issue to the administration for follow-up, or take no action.

6. PUBLIC HEARING: CONSIDERATION AND ADOPTION OF RESOLUTION 2015/2016 - #2: SUFFICIENCY OF INSTRUCTIONAL MATERIALS
